Itinerary at a glance*

Day 1: Fly into Bari airport. One airport transfer is available covering two midday flight times. Arrive at Villa Sant' Annina and enjoy a welcome dinner.

Day 2: Start your holiday off with a heart-opening singing session. Sit in the sun with a freshly prepared lunch. Then enjoy the afternoon siesta before the evening's singing session. Ease into the evening with a delicious dinner.

Day 3: Stretch out with optional sunrise yoga, before the morning singing session. Then enjoy lunch together before the afternoon siesta. In the late afternoon, there is an optional visit to the beautiful 'White City' of Ostuni with a chance for guests to take dinner out.

Day 4: Continue your morning's singing with Sophia before a healthy lunch and siesta. In the afternoon, there is a shorter optional visit to the local olive oil farm before returning to the Villa for an evening of singing followed by dinner together.

Day 5: A yoga session is again available to those who need it before the morning's singing session, followed by lunch and the afternoon's siesta. If you like join a trip to the ancient town of Alberobello, famous for its conical-shaped trulli.

Day 6: Your final full day starts with a singing session before lunch and then a chance to rest before a very informal concert for local neighbours and friends in the evening. We'll enjoy a glass of prosecco and some pizza on the rooftop terrace before watching the sunset and bidding Puglia, 'arrivederci'.

Day 7: Say your goodbyes before a mid-morning lift back to Bari airport. There is one airport transfer available covering two midday flight times.
